

Welcome to Chestnut Class

My name is Mrs Lowe

I am your teacher

Mrs Green

will be your teacher every Friday

It is very exciting to be starting a new school and Silvertrees Academy is a wonderful place to be.

This colourful rug will help you know where to sit.

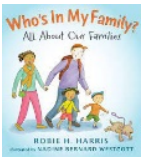

It's ok if you feel a little bit nervous or worried.

We will be here to look after you and show you your brand new classroom.

Miss Timmins will be here to welcome you into school too!

This is one of the first books we read in Reception. It is called 'Who's In My Family'

Maybe you could read it with a grown up and talk about who's in your family.

To help you become familiar with your new classroom, please watch the classroom tour video on our school website ☺

I hope you have a lovely summer and the sun shines brightly for us!

I can't wait to see you in September and hear all about it!

Summer Challenge ...

One of our favourite things to do in our first few weeks is to share our 'All about me' boxes.

We would like you to create one with your adults at home, to tell us about you.

Please could you bring it with you in September so we can share it with your new friends.

Remember to put your name on your box too!

Mrs Lowe's box

Inside is a picture of important people to me- my little girls, my chocolate Labrador and Mr lowe!

I also love to drink cups of coffee, sing songs and bake cakes! So I have popped objects to represent these things in my box too.

We can't wait to see what will be inside your box and get to know you better in September!
